

How we've said **'SCREW YOU'** to cancer this year, so far...

CMA Awards
2026 -
Award Entry

We have run 4 marathons dressed in giant screw costumes, we've smashed a world record, brought awareness to the House of Lords, we went live on the radio to talk about our cause, received the Editor's Choice Award for Community Initiative of the Year, we have hiked 105 miles, raised both awareness and money, and so much more all in support of Prostate Cancer UK.
