How far can YOU go?

Kids Competition

SORA

Sontay®  LoRa

To celebrate the launch of our new wireless sensor range, SORA, we are holding a range of competitions with amazing prizes. ★

WHAT IS IT ALL ABOUT? The word SORA is Japanese for sky so in line with the name we have created a SORA flyer which can also be turned into a paper aeroplane. Download your leaflet and follow the video at <https://www.sontay.com/en-gb/sora> to fold it into an aeroplane.

After being inspired by the SORA aeroplane, try to make your own!

This is a great way to keep the kids busy. Get them to design their own paper aeroplane and then upload a picture of it using the QR code below. They can freestyle on folding and design.

A vote will be held on social media for the best design and the winner will receive a Junior Supercar Driving Blast and High Speed Passenger ride!

Excite an aspiring driving star with a day behind the wheel of a legendary supercar. Upon arrival at your chosen track location, they'll get to choose their desired vehicle from a line-up of showstoppers, including an Aston Martin, Audi R8, Ferrari, Lamborghini, Nissan GTR and Porsche. Watch them unleash pure power on the track as they drive their chosen supercar for five exhilarating laps. They'll also enjoy riding shotgun in a supercharged saloon car! Guidance and instruction will be provided on the day from a fantastic team of professionals. They'll leave with adrenaline still pumping through their veins and with a certificate to commemorate their amazing achievement.

The prize will be in the form of a voucher which can be exchanged for a different experience if preferred. The competition is open to all children up to the age of 16.

Good luck and Happy Flying!
