Stax faster with Terrain FUZE Stax

A unique, site-ready 2-part drainage stack system for kitchens, utilities and bathrooms. They remove superfluous cuts and welds needed to create the same 'look' configurations common in low to high rise buildings, making them simpler and quicker with far less waste.

With different top and bottom sections, stack diameters, vents, and more, available from your distributor, you'll be Stax faster and have more flexibility.

Learn more about how Terrain FUZE Stax complements existing ways to buy the Terrain FUZE range: polypipe.com/terrain-fuze
